Symbiosis International School is a K12 co-educational day school, located in the city of Pune, India. It was established in August 2005. We promote 'Vasudhaiva Kutumbakam' – a Sanskrit phrase that means 'the world is one family'. We aim to inculcate international-mindedness and global citizenship in our students by incorporating and celebrating the cultural diversity of our school community. We have students from over 27 nationalities, with students from India, United Kingdom, Korea, and the United States being the most numerous. The school is recognized by the Government of Maharashtra, India, and is affiliated to the Cambridge Assessment International Education (CAIE) for IGCSE and the International Baccalaureate Organization (IBO) for PYP, MYP & IBDP

The students are encouraged to engage in activities beyond the classroom through sport, co-curricular activities and community service. These include the Student Council, MUN, TED Talks, International Award for Young People (IAYP), Symbi Shiksha Abhiyan (SSA)- an initiative to provide equal educational assistance and opportunities for the underprivileged students, Annual Day, and writing articles for the school newsletter, 'Sym'blem'. Community service begins early and includes service and support to various NGOs, villages and disadvantaged schools.

Environmental Systems & Societies- SL

Group-5 -Mathematics

Mathematics Analysis & Approaches- HL & SL

Mathematics Applications & Interpretations-SL

Group-6 - The Arts

Visual Arts -HL & SL

GRADING

Many of our students have transferred into the school from State and National Board schools in Asia. Their previous grades are not converted to GPA, but copies of their former school transcripts are attached along with the Symbiosis International School transcript. In Grades IX and X we use as A* to F scale and in Grades XI and XII, the IB scale of 1 to 7. Symbiosis offers no class rank since the curriculum is international and its student body, diverse and often transient. The transcript coupled with the statistics below offers a good indication of each student's actual achievement and ability.

IB	7	6	5	4	3	2-1
IGCSE	A*	A	B	C	D	E-F
